See what we are up to!

The Berkeley Police Department (BPD) hosts, supports, and participates in numerous community events throughout the year. We host Coffee with a Cop, visit our local schools, and work with our local businesses. These are a few examples of our collaborative efforts with our community to make the city safe and inviting. On this page, you will have the chance to explore the many ways in which BPD connects with our community.

Community Services Bureau

Scroll down for officer bios and contact information

The Community Services Bureau is comprised of a Lieutenant, Sergeant, 4 Area Coordinators, a Public Information Officer and the Strategic Analysis Team. Each Area Coordinator is assigned to a specific area of the city. The Area Coordinators act as liaisons to the patrol officers in their assigned Area and collaborate with other City Departments or

departmental education, and the provision of fair and professional policing services.

Key Tasks:

- Responsible for constructing a sustainable LGBTQ+ program and provide/coordinate training for members of the department on LGBTQ+ topics.
- Responsible for being the voice for the LGBTQ+ community when issues/concerns are raised.
- Responsible for acting as a conduit in maintaining departmental awareness and acceptance of personnel belonging to the LGBTQ+ community.
- Responsible for creating an active, harmonious, and professional relationship with different LGBTQ+ organizations including the youth and college students. Meets with and provides a forum for business owners, community groups, and individuals of the LGBTQ+ community, and presents information on relevant law enforcement issues.
- Responsible for representing the department in city-wide events to engage, learn, educate, and strengthen the relationship with the LGBTQ+ community.
- Assists with recruitment at job fairs and become a source for potential LGBTQ+ applicants.
- Assists, advises, and consults with the Police Department leadership and other officers on cases involving the LGBTQ+ community or LGBTQ+ issues. Collaborates with community leaders, residents and businesses to design and implement public safety projects and programs to establish a closer, more effective dialogue between the police and the LGBTQ+ community.
- Acts as a contact for LGBTQ+ departmental personnel needing professional and personal assistance/advice.
- Acts as an influential and positive role model for the department and the LGBTQ+ community, treating and serving each member with respect, dignity, and equality.

You can Contact our LGBTQ+ Liaisons at BPDLGBTQ@berkeleyca.gov.
